*Re: Cook County Class 6b Tax Incentive Eligibility Application of 3835/4240 LLC
(the "Applicant")*

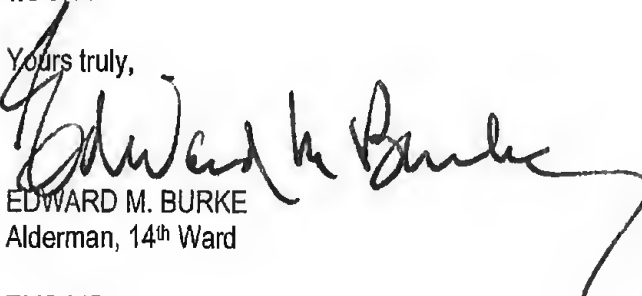

Dear Commissioner Mooney:

I am writing to you regarding the Applicant's Cook County Class 6b Tax Incentive Eligibility Application (the "Application") that was filed with the Cook County Assessor's Office on April 2, 2013 with respect to the property located at 4040 West 40th Street, Chicago, Illinois 60632 (the "Property") which is in my Ward.

If approved, the Application will enable the Applicant to rehabilitate and develop the Property which, once developed, will be used for remanufacturing truck transmissions, differentials, and steering gears, and to sell truck parts warehoused at this location nationally. The Property has been unoccupied since February of 2009, and the Applicant's proposed redevelopment would have a substantial impact in the community resulting in a great enhancement of the neighborhood and new employment opportunities. Therefore, I would like to offer my full support for the Applicant's proposed development and Application.

In short, I would like to thank you for your time and consideration in this matter and I look forward to your favorable review. Of course, if you have any questions or concerns, please feel free to contact me. I am happy to help in any way we can.

Yours truly,

EDWARD M. BURKE
